Re: **Ex Parte Presentation**  
WT Docket No. 00-230

Dear Ms. Dortch:

On Wednesday, August 31, 2005, Kathleen Ham, Managing Director, Federal Regulatory Affairs for T-Mobile USA, Inc. ("T-Mobile"), Bob Calaff, Director, Federal Policy for T-Mobile, and Doane Kiechel, counsel for T-Mobile, met with Susan O'Connell, Cara Grayer, Brad Lerner, Claudia Fox and Francis Gutierrez, all of the International Bureau, and Paul Murray, Paul D'Ari and Scott Delacourt, all of the Wireless Telecommunications Bureau, to discuss T-Mobile's concerns about certain language in the Second Report and Order, Order on Reconsideration and Second Further Notice of Proposed Rulemaking, 19 FCC Rcd 17503 (2004) requiring that an applicant obtain a supplemental ruling on foreign ownership, depending upon the type of service and geographic coverage area encompassed by a prior ruling, in order to utilize immediate approval procedures for license assignments and transfers and spectrum leases. T-Mobile explained that such requirements could prevent carriers with approved foreign ownership from using the immediate approval procedures in the context of many transactions without any offsetting benefits for national security, law enforcement, public safety or other related purposes and policies. T-Mobile distributed a summary of its position to the persons in attendance at the meeting, which is attached hereto.
